

ASM - KITE-SCHOOL PACKAGES

- **Pro Hour - PRIVATE (1 hour / 1 person) - \$150**

For kites wishing to get airborne, or just take their skills to the next level, or our per-hour non-package rate.

- **Discovery - PRIVATE (2 hours / 1 person) - \$240**

An introductory lesson designed to give you a solid foundation of basic kiting skills.

You'll be given a complete understanding of how the wind works and how to determine the conditions. You will also learn about different types of kites and their components, in particular their safety and setup features, launching and landing techniques, basic piloting skills, and self-rescue techniques.

- **The Taster- DOUBLE (2 hours / 2 people) - \$300 (= \$150 per person)**

Safety and rigging. Basic piloting and body dragging experience.

- **Intermediate - PRIVATE (4 hours / 1 person) - \$460**

The next phase to get you on the board and riding.

An overall recap of the kite components, launching and landing techniques, basic piloting, in-depth study of the kite's security devices, advanced piloting skills, body dragging, kite recovery, and water starting.

- **Intermediate - DOUBLE (4 hours / 2 people) - \$720 (= \$360 per person)**

The next phase to get you on the board and riding.

An overall recap of the kite components, launching and landing techniques, basic piloting, in-depth study of the kite's security devices, advanced piloting skills, body dragging, kite recovery, and water starting.

- **Advanced - PRIVATE (6 hours / 1 person) - \$630**

A combination package that'll take you from spectator to rider in just 6 hours.

The Advanced course will get you riding upwind, transitioning and working on board riding skills. We'll teach you everything you need to know to be able to practice by yourself and take supervised sessions.

- **Advanced - DOUBLE (6 hours / 2 people) - \$960 (= \$480 per person)**

A combination package that'll take you from spectator to rider in just 6 hours.

The Advanced course will get you riding upwind, transitioning and working on board riding skills. We'll teach you everything you need to know to be able to practice by yourself and take supervised sessions.

- **Independent - PRIVATE (10 hours / 1 person) - \$1000**

A combination package that'll take you from spectator to rider in just 10 hours.

This is the most complete and extensive package. The Independent is a blend of the first three classes, guaranteed to turn you into an independent kiteboarder.

- **Independent - DOUBLE (10 hours / 2 people) - \$1400 (= \$700 per person)**

A combination package that'll take you from spectator to rider in just 10 hours.

This is the most complete and extensive package. The Independent is a blend of the first three classes, guaranteed to turn you into an independent kiteboarder.
