

Miami Area Hotels

Miami has a wide selection of accommodation, ranging from luxury to basic. This list provides rooms in the three main areas to stay: Coconut Grove, Key Biscayne and Miami Beach. Each has its own character, and the hotels reflect the area. These are some hotels that we have had good experiences with, but there are many more that it is impossible to list.

COCONUT GROVE is trendy, quiet and nice area with shops, bars and restaurants and is near the water, but no beaches in the area. It is very close to the marina where we start the lessons. Map:
